## UPDATE

# The Southern Highlands Community Hospice Project

---

## BREAKING NEWS

### Hospice to be built in Bowral

The SHCH Board is working with Dr Nick Hartnell, a local orthopaedic surgeon, to establish our Hospice in Bowral, opposite the Southern Highlands Private Hospital.

The outcome is due to the help of some long standing SHCH members, sound leadership from the Hospice Board and Dr Hartnell's understanding of the value of the Hospice for the local community.

The Board looks forward to working with Dr Hartnell to make the Hospice a reality.
